

SPEECH BY THE PRESIDENT OF THE SENIOR CLASS OF 2026

CLOSING WORSHIP SERVICE – ACADEMIC YEAR 2025–2026

Dear Rector, Dear Academic Dean, Dear Administrative Dean, Dean Researcher Dean, Members of Management Committee, Distinguished Professors, Staff Members, Dear Guild President, My Fellow Students, Ladies and Gentlemen, Good afternoon.

"A grateful heart never forgets where its blessings came from." It's a privilege and an honor for us to stand in front of you today on this remarkable day of our lives. As the **Senior Class of 2026**, we stand before you with hearts full of gratitude to God for everything he has been doing in our lives.

First and above all, we give thanks to Almighty God. Four academic years ago, we began this journey with dreams, hopes, and many uncertainties. Through every challenge, every examination, every success, and every difficult moment, God's grace has carried us safely to this point. Today is not only a last chapel for this academic year; it is also a testimony of His faithfulness.

As the Valedictorian of the **Senior Class Of 2026**, I'd like also to express our sincere appreciation to our beloved University (UCBC). Thank you to our Rector, to the entire Management Committee, to our teachers, and every staff member. Beyond academic knowledge, this institution has shaped our character, strengthened our faith, and prepared us to become responsible leaders who will serve our communities with excellence and integrity. This holistic education will remain one of the greatest gifts of our lives.

However, our journey has not been without bitterness.

During our third year (in L2) on **June 8th 2025**, we experienced an unexpected and heartbreaking loss of our beloved sister and classmate, **KANYERE MWALITSIA Glody**, was taken from us far too soon. In spite of the fact that she is no longer physically with us, her kindness, her smile, and the memories we shared continue to live in our hearts. At this moment, I kindly invite everyone with all your honor to please stand up in observing one minute of silence in her loving memory.

(One minute of silence.)

Thank you. Please be seated !

As we continue our journey towards graduation in just some coming days, we also wish to leave behind a small but meaningful contribution. Therefore, with deep gratitude and humility, the **Senior Class of 2026** is honored to offer a good and perfect printer to the **Student Committee Office**. We hope that it will serve students in their daily academic work. It is a simple gift, but it carries a heartfelt message of appreciation and a lasting commitment to serving those who will come after us.

In closing, allow me to leave this simple thought:

We may leave the classrooms, but the values we have learned here will never leave us. We may leave this campus, but this University will forever remain part of who we are.

May God continue to bless our University (UCBC), bless its leadership, bless every student, and bless every future generation that will pass through these halls.

(Time to give the gift to the academic authorities and the Guild President)

Thank you very much, and may God bless you all.

Doli Delphin K.

Representative Class Of 2026
